NATIONAL FIRE EQUIPMENT SYSTEM CACHE MEMORANDUM NO. 03-7

To: NFES National Incident Support Caches

From: Paul Naman, NFES Representative - NIFC

Subject: Air Operations Branch Kit, NFES # 0660 – Short Term Modification

The 2175 Guide, Military Use Handbook is currently out of stock and unavailable due to printing delays. This handbook is a component of the Air Operations Branch Kit, NFES # 0660. In order to construct new or refurbish Air Operations Branch Kits it may be necessary to omit the handbook as a sub-component until they become available. Kits that are constructed without the Military Use Handbook will be clearly marked on the shipping box as lacking this component.

If you have any questions or comments on this information please contact Jeri Billiard at (208) 387-5109.
